

Is the Government Playing God?

Catholic hospitals are required to follow the U.S. Conference of Catholic Bishops' religious directives on medical care that bar contraception, abortion and sterilization and, in many instances, end of life procedures. A recent study revealed that 86% of surveyed physicians at Catholic hospitals said they would encourage patients to seek the recommended care elsewhere when conflicts arose.

How should Catholic hospitals remain true to their beliefs in the face of government policies?

Euthanasia
Abortions
Contraception
Sterilization
Healing Prayer

Thursday, November 11

6:45 am Mass

7:30 am Breakfast Presentation
